STREET SWEEP

QUARTERLY NEWSLETTER

PROGRAM UPDATES

Welcome to the Street Sweep Quarterly Newsletter! We are so glad you have decided to join us on our journey to change the lives of those in our community.

We are happy to announce that Street Sweep is in process of completing a case study on the effectiveness of the program! We are excited about this opportunity and the ability to use this research to further sustain and expand the program. A huge thanks to FBC, the Institute for Studies of Religions, and Wubbenhorsts for their time and generosity! The study will be available for digital and print in the coming months

Be on the lookout for a new Street Sweep webpage in the next few weeks!

One of our goals by the end of the year is to grow our individual monthly donors! Whether it's \$10 or \$100 per month, anything helps! If you are not already giving, we ask that you prayerfully consider. If you know someone who you think would be interested in our mission, encourage them to give and learn more.

Ryan Harrington
Street Sweep Program Director

MISSION STATEMENT

Street Sweep serves homeless individuals reentering the workforce. Our goal is to empower participants to have a renewed sense of self-determination and worth with a focus on employment, housing, and finances, through professional training and holistic case management.

CORE VALUES

PARTICIPANT SPOTLIGHT

Jarvis:

Jarvis joined the program in late 2020. A young man with a Master's in Accounting from Baylor, personal choices and mental health struggles caused him to become homeless. The Meyer Center has assisted him with employment and housing but it has taken multiple attempts for the lessons to stick.

Because of his hard work, previous education and work experience, and the support of Street Sweep and the Meyer Center, Jarvis is now working at H&R Block and will hopefully be leaving the shelter in the next month.
